About Us

- **History** - Gibraltar Asset Management Limited (“GAM”) was founded in 1987 and has roots in Gibraltar going back over fifty years.
- **Regulation** - GAM is authorised and regulated by the Financial Services Commission. Being based in Gibraltar, we are subject to the Markets in Financial Instruments Directive (MiFID), thus benefiting clients with the maximum amount of protection. We are also a member of the Gibraltar Investor Compensation Scheme.
- **Memberships** - GAM is Gibraltar’s single local member firm of the London Stock Exchange. GAM is also a member of GFIA (Gibraltar Funds & Investments Association) and GACO (Gibraltar Association of Compliance Officers).
- **Independence** - We are totally independent of any fund managers, clearing banks or insurance companies and as such have no conflicts of interest.

Security of your assets

- **Nominee arrangements** - We do not hold client assets, rather they are held through an FCA-regulated custodian, Jarvis Investment Management Plc (“Jarvis”). Jarvis are a Member firm of the London Stock Exchange and are themselves listed on the London Stock Exchange. Securities are registered in the name of their nominee, JIM Nominees Limited, a non-trading company that provides for the safe, secure and effective administration of clients’ investments. Jarvis does not take proprietary positions.

Advantages of our nominee service include:

- i-The enabling of market transactions to be settled for standard settlement (T+2)
- ii-The automated processing of corporate actions including the collection of dividends

- **Investor protection** - GAM places a strong emphasis on risk management encompassing legal, regulatory and reputational risk and compliance. Treating customers fairly is an established and fundamental component of the firm’s business culture and has been instrumental to the development of the firm’s excellent reputation amongst investors. This is evidenced by our low client turnover. GAM does not take proprietary positions.

Client Reporting

Regular reporting is an important part of our relationship with our clients. We communicate through the following media:

- **Online access** – investment manager can access multiple portfolios through our online platform, which provides valuations and cash statements.
- **Corporate actions** - ongoing notification of all corporate events that occur such as rights issues, capital reorganisations, takeovers etc.
- **Contract notes** - contract notes are issued promptly to the client after each transaction, either via email (thus cutting down on mail and unnecessary paper) or via post the following business day.
- **Valuations** - are sent to clients quarterly. Ad-hoc valuations can be produced on request.

Execution Service

Our execution service provides for a comprehensive and efficient method to buy and sell securities.
